Cologne is one of the oldest large German cities and is home of the Cologne Cathedral which was declared a World Heritage Site in 1996. The night life, shopping and entertainment are excellent and there are in excess of 3,000 bars and restaurants, over 100 art galleries and a wide range of museums, making Cologne one of Germany's most vibrant and cosmopolitan cities.

The city's infrastructure and traffic connections make Cologne easily accessible by air, road and rail. Cologne (CGN) and Frankfurt (FRA) airports are the nearest airports to Cologne. Both airports have excellent rail links to the main railway station in Cologne. High speed rail connections are also available from Paris, Brussels, and Amsterdam. The hotel is located in central Cologne and is around 1 km from the main railway station, taxis are available for transfer.

Foreign nationals require a valid passport or other identification document to enter Germany. The passport must be valid for at least another four months after entry into Germany. For citizens of EU countries a valid identity card is sufficient. Citizens of certain countries require a visa to enter Germany. The German Embassy can provide detailed information.
